FOR IMMEDIATE RELEASE

Design Duo Launches Brevard County's First All-Encompassing Design, Remodeling and Furnishing Business

ROCKLEDGE, FL (January 4, 2018) – Island Paint and Decorating (IP&D), operating with The East Coast Cabinet Company (ECCC), recently announced the launch of Brevard County's first end-to-end design and remodeling service named Pullman West. Pullman West brings together the talents of owners Billy and Terri Pentz to provide an unparalleled showroom experience for consultation and design services for both new home construction and renovations.

Located on 100 Eyster Boulevard in Rockledge and next to the Florida East Coast Railway, Pullman West is headquartered in a two-story designer showroom that boasts an extensive materials library, stunning furnishings and sample rooms which serve as the inspiration for its team of professional designers who help bring a homeowners' vision to life.

"We're excited to provide this unique service for those who want to create functional but luxurious spaces in their homes," said Terri Pentz, co-founder and owner of Pullman West. "At Pullman West, we are able to couple our design expertise with high-quality products and services to provide customers with rooms that consistently exceed expectations."

Pullman West is open Monday – Friday from 8:00 a.m. to 4:30 p.m. and by appointment on Saturday. It is closed on Sundays.

Benjamin Moore Paint is still available at the 860 North Courtenay location on Merritt Island.

For more information, contact the Pullman West team at (321) 452-8981.
